Tenders 2.4m to 3m max (on the Hard)	£69.00

Summer Storage 2012 Notes

Commences: Friday 6th April 2012
Ends: Sunday 21st October 2012

It is a condition of Summer Storage that members comply with the following rules:

FAILURE TO COMPLY WITH THESE RULES MAY RESULT IN LOSS OF YOUR STORAGE SPACE IN FUTURE YEARS

- 1. THE 2012 STORAGE DISC MUST BE FIXED TO THE HULL ON THE TRANSOM BELOW THE COVER SO AS TO BE VISIBLE FOR INSPECTION AT ANY TIME.**
- From Rule 27: No responsibility or liability shall attach to the Club in respect of the property of any Member or his Guests, which may be lost, damaged or destroyed, on or about the Club premises, whether any charge for such property shall be made or not.
- By-Law 14: "All **boats, masts, spars, oars and gear** stored in the Club buildings or on the Club land, must be plainly and visibly marked with the boat's or owner's name."
- From By-Law 14: **The name of the boat must be clearly and visibly marked on the hull** and the cover so that the craft may be easily identified.
- The storage allocation is not transferable.
- Stored craft are liable to be moved – at the Committee's discretion – for Club functions or for any other necessary reason.
- All craft, other than tenders less than 2.4m, must be stored on launching trolleys or SMALL trailers.
- Members are only permitted to store their dinghy, tender, outboard or inflatable in the space or rack allocated. **Persistent failure to do so may result in the storage facility being withdrawn.**
- No road trailers can be stored on Club property.**
- Previous Storage stickers must be removed.
- THE DECISION OF THE COMMITTEE AS TO STORAGE ALLOCATION IS FINAL.**
- ALL BOATS MUST BE ADEQUATELY INSURED WHILST USING THE PREMISES OR ON THE WATER.**

All members allocated dinghy storage will be expected to carry out at least one race duty, as allocated by the Hon Sailing Secretary. Failure to do so may compromise their future allocation of a mooring or a storage space!

SUMMER STORAGE NOTES 2012(continued)

1. **LASERS.** Thank you for observing the conditions of storage last year but please ensure trailers do not block walkways.

Charges for Lasers will be **Top Rack £27, Middle Rack £43 and Ground Level £86**

Space will be allocated on a first come first served basis, with possible adjustment by your class captain, after which time there will be a waiting list.

Those requesting a top or middle level position must sign and return with their application the counterfoil below. In the event that the owner does not comply he/she will be requested to remove the Laser/Optimist from the premises (with no refund) and the space will be reallocated.

2. **OPTIMISTS. £34**

3. **TENDERS.** As in previous years it was noted in 2011 that several tenders were either not used frequently or not at all. As it is the Club's intention in 2012 to actively encourage dinghy sailing, particularly by the younger fraternity, some of the space previously allocated to tenders will be re-allocated for small dinghies and particularly Optimists. Therefore we request you seriously consider whether or not you really need a space or can manage with using the Club's tenders. Spaces will be allocated on generally a first come first served basis with the Class Captains having the final say!

SCOWS. If as last year, spaces for Scows are over-subscribed your Class Captain in conjunction with the Mooring & Storage Committee will be responsible for allocating spaces based upon frequency of use and physical ability. The decisions reached will be final.

INFLATABLES. There were still complaints in 2011 that owners were allowing inflatables to deflate, preventing neighbours from storing their craft. This year deflated craft will be removed to another location. Persistent offenders will be asked to remove their craft from the premises, with no refund.

CLASS 4. It is regretted that new applications for dinghies with a beam exceeding 1.6m may not be accepted owing to limitations of space.

December 2011

Mooring & Storage Committee LJC

LASERS

In applying for storage on the top/middle rack (delete not applicable)
I agree to **only** using this position.
