

Christchurch Sailing Club

Summer Storage 2017 Conditions

Commences: Thursday 13th April 2017
Ends: Noon, Sunday 22nd October 2017

It is a condition of Summer Storage that members comply with the following rules:

FAILURE TO COMPLY WITH THESE RULES MAY RESULT IN LOSS OF YOUR STORAGE SPACE IN FUTURE YEARS

1. **THE 2017 STORAGE DISC MUST BE FIXED TO THE TRANSOM BELOW THE COVER IN ORDER TO BE VISIBLE FOR INSPECTION AT ANY TIME.**
2. From Rule 27: No responsibility or liability shall attach to the Club in respect of the property of any Member or his guests, which may be lost, damaged or destroyed on or about the Club premises, whether any charge for such property shall be made or not.
3. By-Law 14: All **boats, masts, spars, oars and gear** stored in the Club buildings or on the Club land, must be plainly and visibly marked with the boat's or owner's name.
4. From By-Law 14: **The name of the boat must be clearly and visibly marked on the hull** and the cover so that the craft may be easily identified.
5. The storage allocation is not transferable.
6. Stored craft are liable to be moved – at the Committee's discretion – for Club functions or for any other necessary reason.
7. All craft, other than tenders less than 2.4m, must be stored on launching trolleys or SMALL trailers.
8. Members are only permitted to store their dinghy, tender, outboard or inflatable in the space or rack allocated. **Persistent failure to do so may result in the storage facility being withdrawn.**
9. **No road trailers can be stored on Club property without permission of the M&S Committee.**
10. Previous storage stickers must be removed.
11. **THE DECISION OF THE COMMITTEE AS TO STORAGE ALLOCATION IS FINAL.**
12. **ALL BOATS MUST BE ADEQUATELY INSURED WHILST USING THE PREMISES OR ON THE WATER.**

All members allocated sailing dinghy storage will be expected to carry out at least two race duties. Failure to do so may compromise their future allocation of a mooring or a storage space! See overleaf.

SUMMER STORAGE NOTES 2017 (continued)

RACK SPACES. Your Class Captain, in conjunction with the Mooring & Storage Committee, will be responsible for allocating spaces based upon frequency of use and physical ability. Due to the significant number of boats requiring storage, it is essential that if you are allocated a rack slot, **you must use that slot.** Members persistently leaving their boats out of the allocated slot will be asked to remove their boat from the premises (with no refund) and the space will be reallocated.

TENDERS. As in previous years it was noted that several tenders were either not used frequently or not at all. As it is the Club's intention to actively encourage dinghy sailing, particularly by the younger fraternity, some of the space previously allocated to tenders will be re-allocated for small dinghies. Therefore, we request you seriously consider whether you really need a space or can manage with using the Club's tenders. Spaces will be allocated on a first come first served basis with the Class Captains having the final say.

SCOWS. Your Class Captain, in conjunction with the Mooring & Storage Committee, will be responsible for allocating spaces based upon frequency of use and physical ability.

INFLATABLES. There were still complaints last season that owners were allowing inflatables to deflate, preventing neighbours from storing their craft. This year, deflated craft will be removed to another location. Persistent offenders will be asked to remove their craft from the premises, with no refund.

CLASS 4. Space for larger dinghies and particularly those with a beam exceeding 1.6 m is limited. It is strongly advised you enquire to the M&S Committee as to the likelihood of space being available before committing to purchase such boats, as even applications received before the closing date may have to be refused due to the lack of appropriate space.

DUTIES. Sailing dinghy owners allocated summer storage will be expected to complete at least two duties. During December, the sailing programmes will be on display in the clubroom, giving the opportunity to select your duties. Please confirm your chosen dates on your storage application.
